

## Backpack Sunday Report

- We gave out 16 backpacks to La Mesa Mission children this year and 2 school supply gift certificates to La Mesa teens.
- Thank you to all who remembered to give personal words of welcome to our La Mesa guests, and all who joined in fellowship with them at lunch.
- Carlos, a student we have watched grow to adulthood, had his wife and new baby with him. We have been blessed to be able to support some of his (and others') college studies thru our La Mesa scholarship program.
- Special appreciation goes to Martha Guerrero for overseeing this year's backpack project.
