

Thank You!

As the New Year approaches, I have found myself reflecting back on my years events. This past summer, I had the time of life serving the Lord on Servant Team, and it wouldn't have been possible without all of your help. My summer on Servant Team consisted of a multitude of adventures like rock climbing, hiking, spelunking, praising God, and serving others by showing Christ's amazing love. The Southwest Texas Conference of the United Methodist Church hosted 4 camps: My Mission, JAM Camp, River Camp, and QUEST Camp, each reaching over 100 campers. Throughout each of these camps, I was able to lead campers in service for the homeless, fun games and activities, small group discussions, prayer and praise. The amount of joy present at these camps was simply indescribable. God worked wonders through all of the Servant Team and staff, and more than 700 people were witnesses of it. This summer revealed a new love to me, the love for serving others, which I will continue to partake in for the rest of my life. It was amazing to see the lives of youth change right before my eyes as they gave their heart to God himself. He truly worked wonders all summer long, and has continued to work in my life. With your financial and prayerful help, this youth mission was made possible. Thank you so much for joining me in this mission project. May God's love surround you and your family this upcoming year and always.
